“QUACK UP DUCKS- NEW TESTAMENT BOOKS”

COPYRIGHT 2016 Brite Idea Productions

As with all Family Action Agents teaching videos, learning and fun are our top priorities!

You have just purchased an excellent TOOL in helping your kids learn from the Word of God! Make sure you go over the video a few times to be sure you are aware of how it is presented and to be comfortable in its presentation. In other words, you want to have a sense of command and excitement that beams out of you while this experience is happening! **(Remember a tool does not take the place of you as a leader! It is there to enhance the gifting of talents God has given to you in instructing your kids!)**

Did you ever have a time when you needed a break for your kids before moving on to other lessons? Do you want to teach your kids the books of the Bible? Well Here's Your Chance!

You will notice that you have received the following video's:

1. MATTHEW - JOHN
2. ACTS - 2 CORINTHIANS
3. GALATIANS - COLOSSIANS
4. 1THESSALONIANS - TITUS
5. PHILEMON - JAMES
6. 1 PETER - REVELATION

Each video will run about 2 1/2 minutes.

Let your students know that they are about to be placed and challenged in a live video game! They will notice that books of the New Testament will show up at the top of the screen. Each time this happens , each student must shout out the name(s) of the book(books). Sounds easy, right? But wait, there's more! Whenever they see an obstacle coming toward them they must do the following:

THE DUCK BLOCK: Wait until you see if it goes left or right and then bend the opposite way so as not to get hit by it.

THE BARREL: As it rolls up to them, they must jump over it.

BOWLING BALLS: Jump over them.

THE TUNNEL: Crouch down low and run in place. (Keep really low so you don't hit your head!)

FRISBEES: Duck low to get under them.

THE BEAMS: They might go up - bend down to go under, or if they go down - jump over them!

You can spread your kids out for this one. But as you can see, all movement is done standing in place. So no kids running free! This is a great way to learn the books of the New Testament and get some movement in at the same time. Oh, one more thing - Don't forget to do everything with them!
