

INSTRUCTIONS “GONE FISH’N”

COPYRIGHT 2016 Brite Idea Productions

As with all Family Action Agents teaching videos, learning and fun are our top priorities!

You have just purchased an excellent TOOL in helping your kids learn from the Word of God! Make sure you go over the video a few times to be sure you are aware of how it is presented and to be comfortable in its presentation. In other words, you want to have a sense of command and excitement that beams out of you while this experience is happening! (Remember a tool does not take the place of you as a leader! It is there to enhance the gifting of talents God has given to you in instructing your kids!)

The best advice we can give is to think of yourself as a TV game show host! You will not just be playing a video and sitting back waiting for your kids to respond, but will be right there with them in the moment and excitement that transpires.

Before you start the video, tell your students that you would like to go over the Bible books (Depends on which volume you are using). Have them get their Bibles in their hands (remember they will not be using any iPhones, just the actual Bible book!). Have extra Bibles available if they forgot to bring them or you have some visitors in the audience. EVERYONE MUST HAVE A BIBLE! Spend a few moments refreshing your students' memory on the books and their correct order BY OPENING UP THEIR BIBLES TO FIND THEM.

Then introduce “Billy Bob” and a game he is going to teach them. He will give them one of the books and they must find it. He will tell them to put their Bibles on top of their heads and no one is allowed to put their fingers in the Bible to reserve the spot where they are. He will give the name of the book. When he says “GO FISH” that is the cue to start looking for that book of the Bible. Once found, they must STAND UP! He then will give those standing a chance to help others that couldn't find that book.

Remember to KNOCK IT OUT OF THE BALL PARK with this video game and your kids will be telling everyone about the experience as well as asking you when can they play again!
