

INSTRUCTIONS "INCREDIBLE ME"

COPYRIGHT 2016 Brite Idea Productions

As with all Family Action Agents teaching videos, learning and fun are our top priorities!

You have just purchased an excellent TOOL in helping your kids learn from the Word of God! Make sure you go over the video a few times to be sure you are aware of how it is presented and to be comfortable in its presentation. This VID GAME has been made to be **started to begin playing about 6 minutes BEFORE YOU BEGIN YOUR CHILDREN'S ACTIVITY! It was made not only a learning tool, but as a great tool to get your kids excited about your activity and things to come!**

Once you start the countdown video, you will notice that a lead character will set up what is about to happen. They will talk to your students about what it is like to be an incredible person made by God Himself.

The lead character will then introduce "Granny" who will set up rules to follow as well as tell your students to share what they have learned to parents, brothers, sisters, and friends during your students' experience in your activity for the day. These are general rules that should be followed for all children's activities. We suggest that you, personally, go over your specialized rules as you would usually do during your time together with your children.

Next, after Granny, the children will have time to respond to some multiple guess questions that deal with the children's incredible relationship with God. During this time they have been told by the lead character to SHOUT OUT their answers by color (red, green and blue). You might want to help them to do this. They will have 3 seconds to shout out their answers before the correct answer is revealed.

Finally, the lead character will do a countdown with the kids to start the ministry presentation. If needed, you might shout the countdown numbers with them and help them get excited for all to start.

Remember to KNOCK IT OUT OF THE BALL PARK with this video game and your kids will be telling everyone about the experience as well as asking you when can they play again!
