

## INSTRUCTIONS “BIBLE BOOK BINGO”

COPYRIGHT 2021 Brite Idea Productions

As with all Family Action Agents teaching videos, learning and fun are our top priorities!

You have just purchased an excellent TOOL to help your kids learn from the Word of God! Be sure to view the video a few times before using to be aware of the contents and to be comfortable in its presentation. In other words, you want to have a sense of command and excitement that beams out of you while this experience is happening! **Remember a tool does not take the place of you as a leader! It is there to enhance the gifting of talents God has given to you in instructing your kids!**

The best advice is to think of yourself as a TV game show host! You will not just be playing a video and sitting back waiting for your kids to respond, but you will be right there with them in the moment and excitement that transpires.

For this game, you will first need to prepare the “Bingo” cards. (Best idea is to print the cards on card stock and laminate each one. If you don’t have a laminating machine, go to Walmart or a hardware store and get clear shelving paper to cover both sides and cut out around each card.

You have 100 DIFFERENT CARDS. You will also need white board/erasable markers and a small square of felt material as an eraser for each child. **(If you have more than 100 players, try partnering them together with one card or make more cards by printing out more from the master cards.)**

Pass out the “Bingo” cards, markers and felt square erasers. Then have everyone one put an “X” in the FREE BOX. Give the following instructions of how to “Win”: Have your children look at their cards and specifically under the “B”...”Red O”...”Blue O”...”K”...or “S” letters. They will see some Bible book answers that are repeated two or three times. They can ONLY CHECK OFF ONE OF THEM AT A TIME because during the game that book name might come up again. The first one to have 5 boxes checked going across the board, 5 boxes checked going down a column or 5 boxes checked diagonally, should stand and yell out “I GOT IT!” Always pick the first child who stands up to confirm his/her answers while telling the others not to change their cards. If all answers are correct, they will win 1000 points for their team!

Now you are ready to play the **BINGO 1, BINGO 2, AND BINGO 3 VIDEOS -ONE AT A TIME** (If no one wins with the first BINGO VIDEO, then go to the second BINGO VIDEO part and so on. Most of the time there will be a winner on the second Bingo video.)

The great part about this game is that you can play again immediately by switching around the **BINGO VIDEO PARTS in any order** and/or giving out new Bingo cards to everyone. **(Remember, even though you have more of the same cards, doesn’t mean everyone is going to get BINGO.) MOST OF ALL - ENJOY THE GAME!**
